

Canongate Elementary School

200 Pete Road, Sharpsburg, GA 30277

Dear Canongate Parents & Guardians,

The faculty, staff, and volunteers of Canongate Elementary School are hard at work, preparing for another successful year. We are all fortunate to be a part of a school that is committed to growth and excellence.

We are very excited to offer banners for our "Corporate Community" to show their support for our kids at Canongate Elementary! Businesses have the opportunity to advertise at our school in a unique way by purchasing "Customized Banners" to display along the fence in front of Canongate Elementary. Our banners are a great way to advertise and reach over 600 people every day. The banners are made of heavy, weatherproof vinyl. There are two sizes available: 4'x4' \$200 OR 4'x8' \$350. Please complete the attached order form and we will contact you to proof your banner prior to final printing.

The success of Canongate's students is nurtured by positive relationships with parents, teachers, and administrators. Working together we can and DO make a difference at the school and in the lives of our children!

Attached, you will find the order form for your business opportunity. All businesses contributing will be listed in our school newsletter, PTO website, PTO Facebook page, and our CES Twitter page. Please consider asking any businesses that you may have contact with to support our school!

With your support and the support of this great community we are confident that we can reach our goal! We appreciate all gate banner purchases! Your purchase will have a direct influence in the lives of the children at CES and in our community. All Donations are 100% TAX DEDUCTABLE!!!

Professionally,

Cathy Turnbow
